

Master's Tuition Fees 2026-2027

This document includes 6 pages detailing the requirements applicable to each amount.

Each amount applies to an entire academic year

MASTER PROGRAM	NATIONAL MASTER PROGRAMS		INTERNATIONAL MASTER PROGRAMS		Master Nuclear Energy
	All master's programs NOT listed on the following page are considered as “national track Master programs”.		All master's programs considered as “International track Master programs” is listed on the following page.		
Applicable fees	Tuition fees	Gap year**	Tuition fees	Gap year**	
EU/EEA/ Switzerland*	254 €	166 €	4 859 €	2 472 €	250 €
Non-EU/EEA/ Switzerland*	4 317 €	2 878 €	7 148 €	4 293 €	6 243 €
PhD Track	254 €	166 €	254 €	166 €	
Engineering students in IP Paris schools	166 €				

The tuition fees are provided for information purposes for the 2026-2027 academic year. They will be reviewed and updated during the first semester of 2026. The tuition amounts are indexed each year to the national consumer price index excluding tobacco. For reference, the most recent indexation was approximately 1.58%.

**EU = European Union, EEA = European Economic Area. Some criteria may allow you to benefit from EU/EEA fees. See the list of conditions on page 4.*

***The gap year is reserved for students allowed by IP Paris to suspend their studies temporarily. You can contact your student affairs office for more information.*

Please note: The stated fees are subject to verification of the support documents confirming the student's status.

You must pay the tuition fees by September 10, 2026 at the latest. Institut Polytechnique de Paris will not consider you registered if the full amount has not been paid.

No refund will be issued in the event of withdrawal.

Master's Tuition Fees 2026-2027
